Find out who you can meet
1. Sort delegates or speakers to see the most relevant results.
2. Click on a participant to view their information.
3. Connect with qualified profiles.

If a contact has available time slots on their profile, it means meeting booking is enabled for your badge type. Be sure to book meetings in advance—slots can fill up quickly.

You can manage your own availability from the **My Event** section of the platform.

You'll receive email and push notifications to keep your meetings on track.

After meetings, you can also share documents, add notes, apply tags and ratings, and export leads.
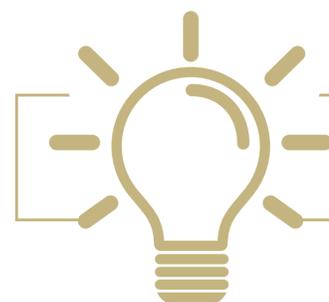

A personalised connection request (with message) will be four times more likely to succeed.

Attendees

Meeting access is as follows

• Sponsors, Speakers, Delegates, and Exhibitors can request meetings with all attendees

• Visitors and Media Partners can only request meetings with fellow Visitors and Media Partners.
