How To Create Your Profile and Update Your Company Listing on the EGPES Exhibitor Manual

Login to the EGPES 2024 Exhibitor Manual using the below link and login using the user credentials that was emailed to you.

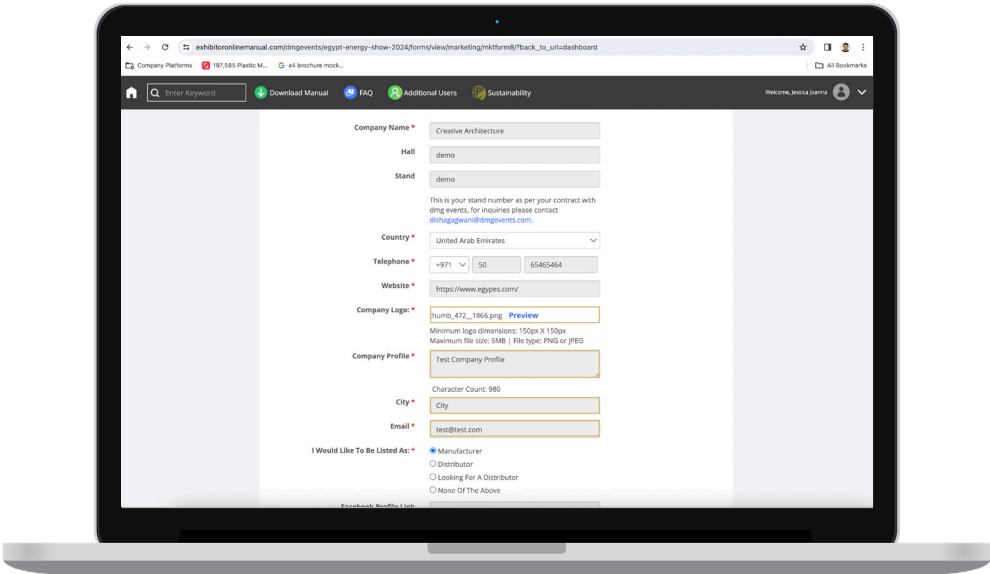

<https://exhibitoronlinemanual.com/dmgevents/egypt-energy-show-2024/dashboard>

Click **"CREATE YOUR PROFILE"**

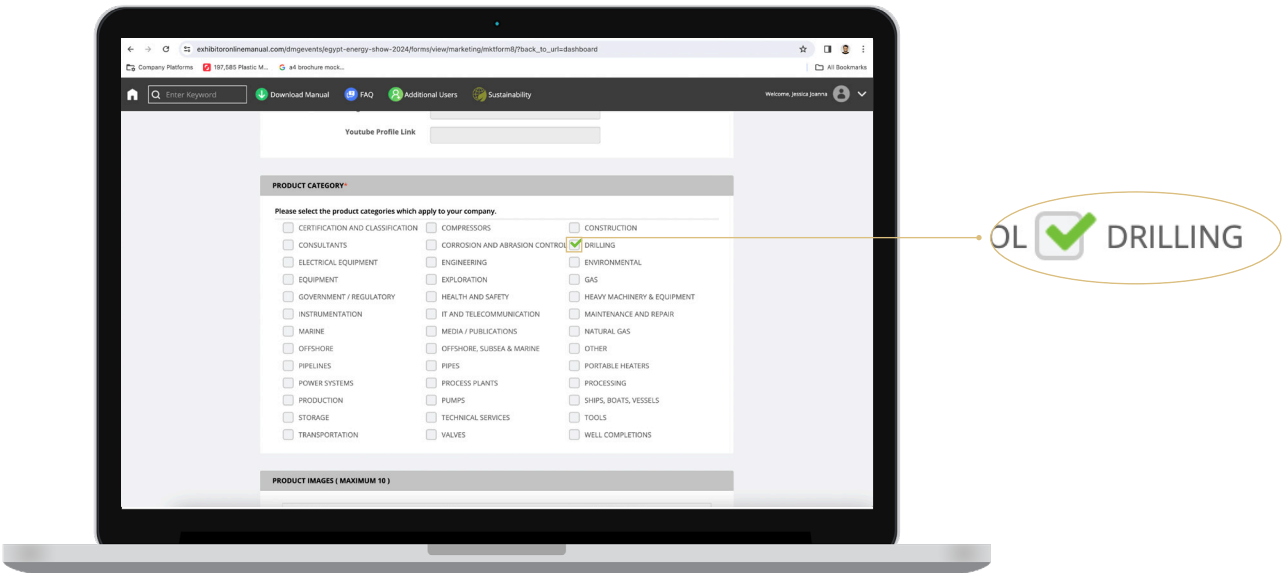

Scroll down to update all the form fields.
Please ensure you have updated all the MANDATORY fields:
Company address
Contact details
Uploaded Company Logo
Updated Company Profile
and go to the end of the page and click on **“SUBMIT”**

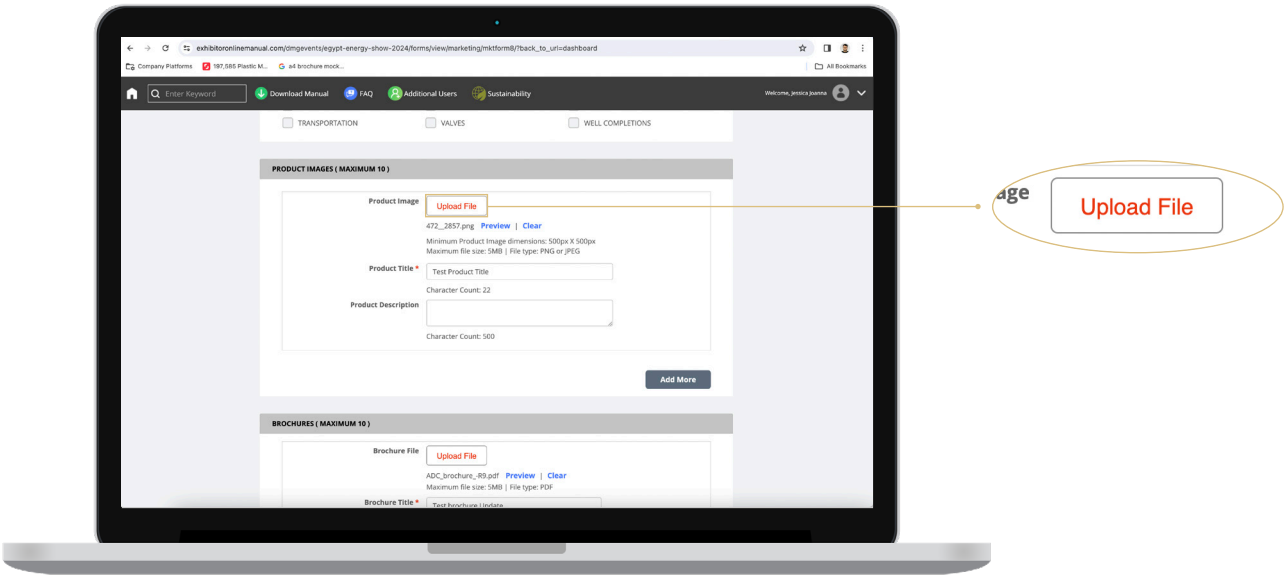

Select the Product Category relevant to your business.

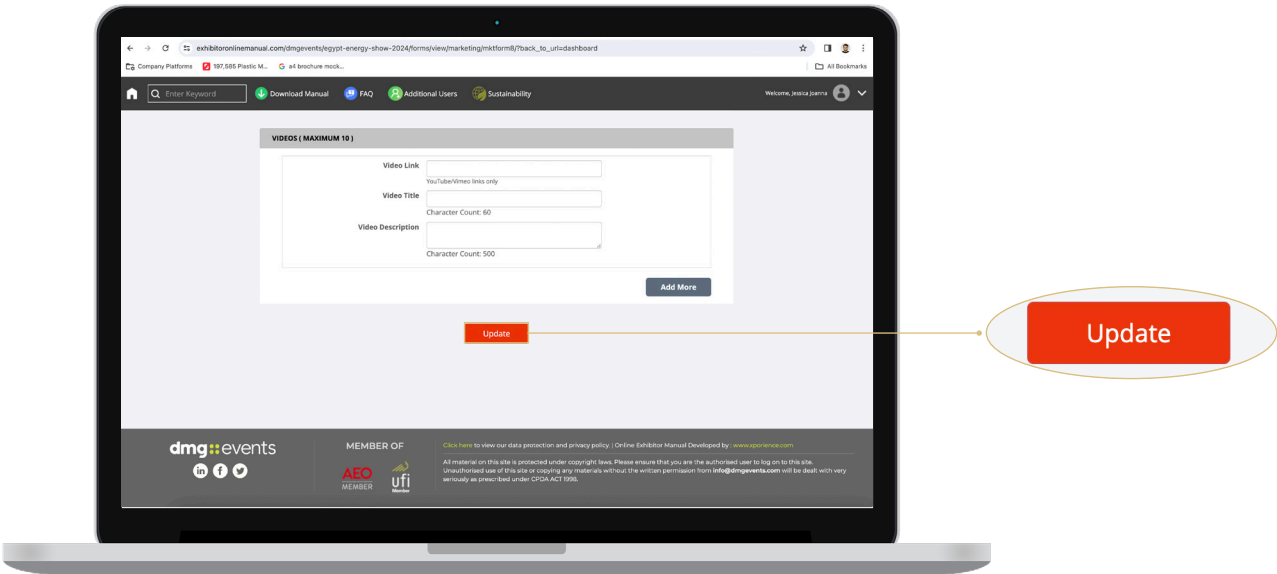

This will be used as part of the EGPES Mobile App Networking to assist with scheduling meetings with attendees looking for product categories within your field of speciality.

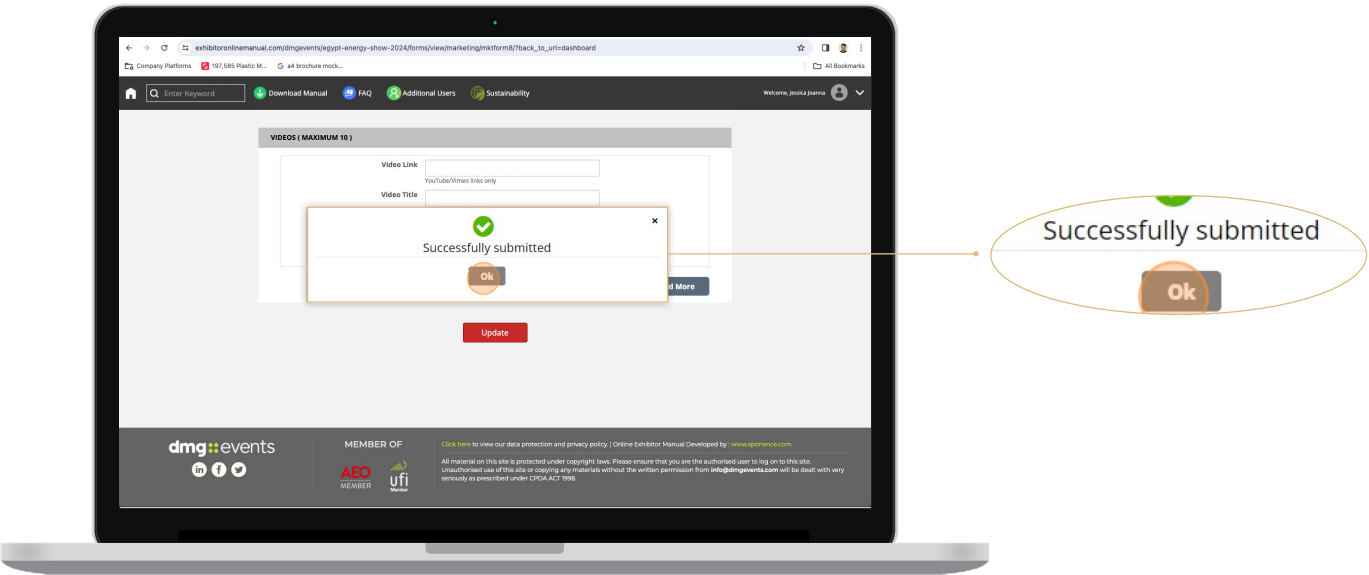

Optional - Add Product Images, Press Releases, Brochures.
This information will be displayed on the Exhibitor Online Listing
<https://www.egypes.com/exhibitorlist>

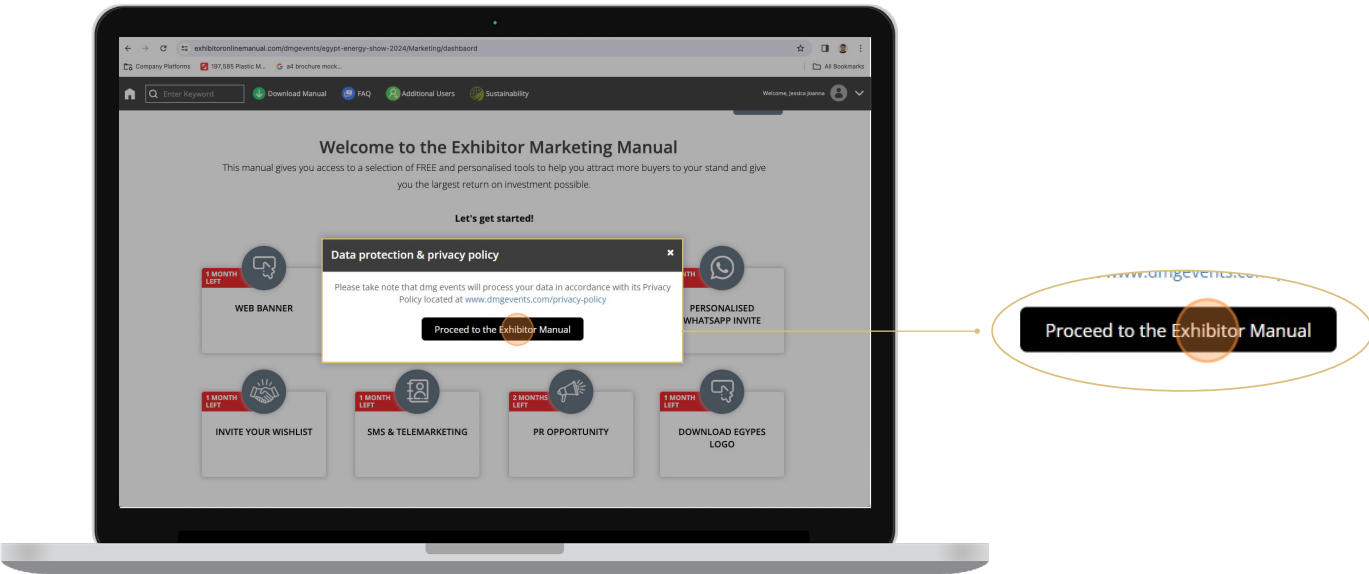

Click on **“Update”** at the end of the page to submit all your details.

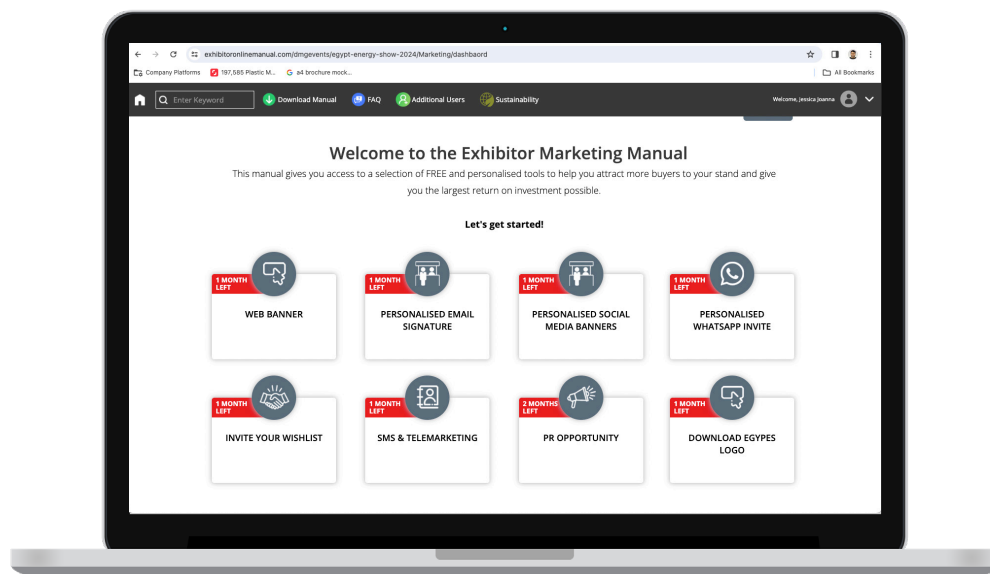

Click **“OK”**

Click on **“Proceed to Exhibitor Manual”** to access the Marketing Manual and avail Free Marketing Tools to promote your presence at the Show.

Access FREE marketing tools to promote your presence at EGPES 2024.
