# INTRODUCTION

Welcome to the abstract review guidelines, **created to support you through the review process.**

Whilst reviewing the abstracts, we ask you to consider and provide your feedback on:

## Quality

The quality of the technical information provided. Data in the abstracts must be correct in terms of technical applications.

## Impact

What industry or organisational impact does the work have? Please note relevant results and/ or case studies.

## Novelty

The abstracts should demonstrate innovation and originality, and contain significant new knowledge, technical results or experience.

## Interest & relevance

How relevant is the submission to the current state of the energy industry? How interesting is the subject matter to the EGPES audience and the industry overall? Will it grab their attention?

Please log in to the portal to review your allocated abstracts as soon as possible, the final deadline to complete your reviews is **Monday 21 July**.

Please do not hesitate to let us know if you require any immediate assistance by emailing: [conferences@egypes.com](mailto:conferences@egypes.com) or [maajabeenkhadar@dmgevents.com](mailto:maajabeenkhadar@dmgevents.com)

Thank you for your continued support of the EGPES 2026 Technical Conference.
